Dear Mrs. Barak,

In order to keep you up-to-date please be informed that we contacted Ms. Aliya Tynabaeva from the Bank of Development of Kazakhstan and agreed that we provide her with respective documentation. We prepare the same set of documents each year for “Samruk-Kazyna” for IIAC and can therefore produce exactly the type of documents needed for the annual reporting of the state funds. It should not impact the payment due by the end of this year.

We will let you know as soon as the document is produced and provided to Aliya. In the meantime if you have any questions or queries please do not hesitate to contact us at any time. Thus we are in charge of the whole documentation between the Council and the respective Kazakh entities also in terms of financial reporting we are at your disposal for all organizational issues you may be addressed by your contractual partner.

Kind regards,

Anna Zeitlinger
